

STAND UP SONOMA COUNTY

The Official News Source of SEIU 1021 Sonoma County Contract Negotiations

January 18, 2019

The Time to Act is Now!

With only 4 more dates to negotiate before our contract expires, we need all members to step up and show the County that we need a long-term contract that provides adequate staffing for public services and allows us to live and work here in Sonoma County!

We are holding a general membership meeting on January 24, 2019 from 5:30 - 7:30pm to provide detailed information to members about exactly what is on the bargaining table and to let you know about critical upcoming actions.

In recent years, we have shown our commitment to stand up and fight for what is fair. This has not gone unnoticed by the County. Let's continue to show them our strength and commitment to keeping this county strong!

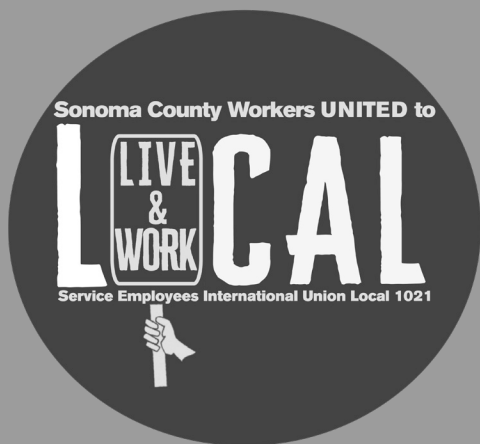

Stay informed. Don't hesitate to reach out to your stewards or bargaining team members if you have questions. There are only 4 more bargaining sessions until contract expiration - the time is now!

See you on the 24th!

In Solidarity,

Your Bargaining Team
